

A Great Start to the Semester

As the Spring 2019 semester begins, the brothers of Phi Kappa Psi RI Beta have never been more excited and motivated to show our face all across campus and beyond. Below are some important updates and events we have participated in so far.

Don't Forget to Donate!

Hi, I am Brother DeGrandpre, I am currently in charge of all of our fundraising for our spring semester of 2019. This semester we are raising money for the Hasbro Children's Hospital in Providence, part of the Children's Miracle Network. Last year we raised money for them and we were able to raise over 13,000 dollars. This semester we are trying to surpass it and try to fundraise 15,000 dollars. All of this money goes directly to the hospital and the families that it helps. It is a cause that I truly care about as it not only helps improve the life of the kids inside the hospital, by bringing amenities and better conditions to them but it helps the families who spend several days a week traveling back and forth to the hospital.

Without this Hospital many families would be forced to travel back and forth to either New York or Boston to receive the specialized care for their children that Hasbro is able to provide to the state. It is for this reason we support them and do our best to support the hospital and the families that it helps. Everything we raise is for the kids so please help us reach our goal and the families it helps. If you can't donate that is fine but please help us spread the word by sharing the link and telling your friends and family.

Donations end March 30th. If you would like to donate, click on the link below:

Spring Rush 2019

During every rush season, we take exceptional care in recruiting gentlemen who relate to our core values. We strive to engage men of integrity and our recruitment allows us to easily identify gentlemen who want to strengthen their integrity and enhance their community involvement. Our main goal is to recruit the best and brightest so that we may build these men into strong and exceptional gentlemen, to prepare them for the real world.

Freshman Ethan Patel, our recruitment chair, has done an excellent job in finding over 20 new potential recruits and we are

very excited to give out bids this February 11th.

Come on Down For the Greek Life Alumni Basketball Game!

The alumni basketball will take place Tuesday, February 26th at the Ryan Center here on the URI campus. All greek alumni are welcome to attend and it will be the night where the Spring 2019 Greek Week pairings will be announced. If you would like to attend, please rsvp (brandon_bisgyer@my.uri.edu) for more information.

Our Brothers Had a Great Time With the Student Veteran's Organization!

Our first philanthropy event of the semester was a huge success! We held a booth with the URI's Student Veteran's Organization (SVO) to fundraise money to help employees being effected by the government shutdown. The idea was put into effect when 4 national guardsmen on campus were not being paid as a result of the shutdown. We sold pastries, donuts, and cotton candy. All proceeds went to SVO so that they may help employees like the 4 national guardsmen. The event was overall a huge success!
