

We Are All About Philanthropy and Community Service!

Phi Kappa Psi Rhode Island Beta has been very much involved on campus when it comes to philanthropy and community service. We hold ourselves to our founding motto, "The Great Joy of Serving Others" as we continue to help our campus and the community around us as often as we can.

Below are some events that we have been and are currently involved in:

Our Brothers Had a Great Time during PIVOT

Some of our brothers had the privilege of traveling to the Nelson Leadership Institute during spring break for its inaugural program PIVOT in Orlando, Florida. This program allowed our brothers to gain leadership skills and meet other chapters from all over the country.

PIVOT allowed these brothers to strengthen their character and deepen their integrity in an environment where lifelong friendships are made with undergraduates and alumni.

Another Successful Nearly Naked Mile!

The Student Alumni Association hosted another Nearly Naked Mile on the quad in which all of Greek Life participated in. This is a community service event in which each participant donates a coat and other articles of clothing to help children in need of warmth all across Rhode Island. Then each participant ran a mile to provide an experience of what its like to be outside with very little clothing. Our brothers had a wonderful time!

Our Brothers Helped Support the St. Baldricks Foundation

Some brothers had a great time shaving their head in support of the St. Baldrick Foundation. St. Baldrick's is a volunteer-powered charity that helps fund research for childhood cancer. We hope that our participation gives even more hope for infants and children who are battling cancer.

Upcoming event:
Phi Kappa Psi Rhode Island Beta is currently fundraising money for the Hasbro Children's Hospital here in Rhode Island. The donations to this great cause fund critical treatments and medical equipment to help treat young children suffering from life threatening illnesses. A family member of one of our brothers was greatly impacted by the donations received from our chapter last year. He is now cancer free!

All donations from alumni are greatly appreciated. Fundraising ends at 12:00 a.m. on March 31, 2019! To learn more about Hasbro Children's Hospital click on the link below. If you would like to donate to this amazing cause, click on the Donate Now! button at the bottom of the page.
